Thermal Bluestone

Product Information

Thermal Dimensional Bluestone is an alternative to traditional New York flagstone. If your looking for a more consistent texture an color this is an excellent choice for you. It has a slightly textured surface and has mixed shades of blues and greys. This product is great for patios, walkways and pool decks. It is available in sawed dimensional tiles.

Thickness (gauged) cut 1/2" undersize to allow for a joint.

- 1" thick stone should be set in cement.*
- 1.5" thick stone can be set in cement, sand or stone dust.*

Standard Sizes – 12"x 12" up to 24" x 36" in 6" increments. Larger sizes are available.

Selling Unit – Thermal Bluestone is sold by the square foot.
