The Redwood series replicates the patina and allure of reclaimed wood. The distressed appearance of these porcelain tiles showcases dramatic texture reminiscent of salvaged building materials. Mahogany, a rich brown-red, and Natural, a lighter blond-gray, emphasize the graining of this artful series.

Disclaimer:

Variation in shade is an inherent attribute of porcelain tile.

To ensure customer satisfaction: Make sure to look over all tiles before installing. Please select tile from same lot: same size, and numerical shade. Intersperse tiles throughout your job from different boxes. Rotate the tiles so there won't be repetitive patterns.

*No claims accepted after tile installation.
